

SOFTWARE USE LICENSE AGREEMENT

THIS AGREEMENT, between [Institution]_____, having an address at _____, hereinafter referred to as “Recipient,” and Omicia, Inc, having an address at 2200 Powell St., Emeryville, CA 94608 (“Omicia”), shall govern the conditions of disclosure by University to Recipient of certain software (“SOFTWARE”) relating to: “VAAST” co-developed by Mark Yandell, of the University of Utah, and Omicia, Inc., including software licensed from the University of Utah to Omicia bearing University of Utah file designation: **U-5047**. SOFTWARE, as used herein, includes all such software actually provided to Recipient, plus any software derived directly therefrom.

Recipient shall make the Principal Investigator, [Name] _____, aware of its obligations under this agreement and the Principal Investigator shall comply with the conditions of this Agreement.

1. LICENSE. Omicia grants to Recipient a non-exclusive, non-transferable right to install the SOFTWARE on file servers and to Run, at any one time, one Instance of the server software in one physical or virtual operating system environment, or if this agreement is modified by an accompanying letter or “click-through” agreement, to Run the number of Instances described in said letter or “click-through” agreement. “Run” or “Running” shall mean to load the SOFTWARE into computer memory and execute one or more of its instructions. Each time this is done, an Instance shall be deemed to have been created. Once Running, an Instance shall be considered to be Running, whether or not its instructions continue to execute, until it is removed from computer memory. A single Instance may be run on any number of processors or connected processor blades. Recipient agrees to limit use of SOFTWARE for the purposes of academic research only, and is restricted from use of SOFTWARE for any for-profit, paid, or commercial purpose.

Recipient may not use SOFTWARE for any medical or clinical purposes, including but not limited to diagnostics and provision of medical care or medical information.

It is further agreed that the furnishing of SOFTWARE to Recipient shall not constitute any grant or license to Recipient under any legal rights now or hereinafter held by Omicia. This Agreement will terminate one (1) year from the date of Recipient’s signature below.

2. TERMINATION. The use of the SOFTWARE by Recipient is conditioned upon Recipient’s compliance with the terms of this Agreement. When this Agreement terminates, Recipient is required to remove all copies of the SOFTWARE from Recipient’s computers, along with any media backups, and discontinue all use. Recipient agrees that Recipient will only copy the SOFTWARE into any machine readable or printed form as is necessary to use it in accordance with this Agreement, and may make a single copy for backup purposes in support of Recipients use of the SOFTWARE. This Agreement is effective until terminated. Recipient may terminate it at any point by destroying the SOFTWARE together with all copies of the SOFTWARE. Also, Omicia has the option to terminate if Recipient fails to comply with any term or condition of this Agreement or upon 30 day written notice. Recipient agrees upon such termination to destroy the SOFTWARE together with all copies of the SOFTWARE.

3. COPYRIGHT. The SOFTWARE is protected by United States copyright law and international treaty provisions. Recipient acknowledges that no title to the intellectual property in the SOFTWARE is transferred to Recipient. Recipient further acknowledges that title and full ownership rights to the SOFTWARE will remain the exclusive property of Omicia or its suppliers, and Recipient will not acquire any rights to the SOFTWARE except as expressly set forth in this Agreement.

4. LIMITATIONS. Recipient agrees that it will not attempt to reverse engineer, reverse compile, modify, translate, disassemble, or otherwise extract the source code of, the SOFTWARE in whole or in part. Recipient may not rent, lease, transfer or sublicense the SOFTWARE to third parties, nor use the software to perform any paid services on behalf of third parties of any kind. Recipient may not modify the SOFTWARE or create derivative works based upon the SOFTWARE. Recipient may not export the SOFTWARE into any country prohibited by the United States Export Administration Act and the regulations thereunder.

5. UPGRADES. If this copy of the SOFTWARE is an upgrade from an earlier version of the software, it is provided to Recipient on an exchange basis. Recipient agrees by its installation and use of this copy of the SOFTWARE to voluntarily terminate use of Recipient's earlier version of the SOFTWARE, and further more agrees not to transfer the earlier version to other computers or other users.

6. DISCLAIMER OF WARRANTY: EXCEPT AS SET FORTH HEREIN, SOFTWARE IS PROVIDED AS IS, WITHOUT WARRANTY OF ANY KIND. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, OMICIA FURTHER DISCLAIMS ALL EXPRESSED AND IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. THIS DISCLAIMER OF WARRANTY CONSTITUTES AN ESSENTIAL PART OF THIS AGREEMENT. SOME JURISDICTIONS DO NOT ALLOW EXCLUSIONS OF AN IMPLIED WARRANTY, SO THIS DISCLAIMER MAY NOT APPLY TO LICENSEE AND LICENSEE MAY HAVE OTHER LEGAL RIGHTS THAT VARY FROM STATE TO STATE OR BY JURISDICTION.

7. GOVERNING LAW. This Agreement will be governed by the internal laws of the State of California, without regard to conflict of laws.

8. ENTIRE AGREEMENT. This is the entire agreement between Recipient and Omicia, which supersedes any prior agreement or understanding, whether written, or oral, relating to the subject matter of this license.

9. NO LIABILITY FOR CONSEQUENTIAL DAMAGES: IN NO EVENT SHALL OMICIA BE LIABLE TO RECIPIENT FOR ANY CONSEQUENTIAL, SPECIAL, INCIDENTAL OR INDIRECT DAMAGES OF ANY KIND ARISING OUT OF THE DELIVERY, PERFORMANCE OR USE OF THE SOFTWARE, EVEN IF OMICIA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL OMICIA'S LIABILITY FOR ANY CLAIM, WHETHER IN CONTRACT, TORT OR ANY OTHER THEORY OF LIABILITY, EXCEED THE AGREEMENT FEE PAID BY RECIPIENT, IF ANY. THIS SOFTWARE IS NOT DESIGNED FOR THE PROVISION

OF MEDICAL SERVICES OR DIAGNOSES. OMICIA SHALL NOT BE HELD LIABLE FOR DAMAGES OF ANY KIND ARISING FROM SUCH USE.

101. BASIS OF BARGAIN. The limited warranty, exclusive remedies, and limited liability set forth above are fundamental elements of the basis of the agreement between Omicia and Recipient. Omicia would not be able to provide the SOFTWARE on an economic basis without such limitations.

12. Each individual executing this Agreement on behalf of a legal entity does hereby represent and warrant to each other person so signing that he or she has been duly authorized to execute this Agreement on behalf of such entity.
